This revision includes two modifications per Nat Arai's 10/06/2010 email, summarized as follows:

1. A new sentence was added after the first sentence of Section 3.0 "Corrective Actions at SB-11" to clarify the diameter and the depth of the re-drilled hole.
2. The word "backfilling" in last sentence of Section 3.0 was replaced with "grouting" to clarify that the grouting operation will resume under the given circumstances.
