

November 19, 2010

Mr. Thomas M. Hamel  
Chief Operator  
Water Pollution Control Department  
80 Medina Street  
Chicopee, MA 01013-1041

**Subject: Work Plan for Borehole Backfilling  
Former Facemate Facility  
Chicopee Falls Levee System Right-of-Way**

Dear Mr. Hamel:

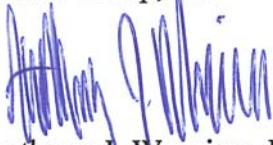

Pursuant to guidance from Nat Arai GZA GeoEnvironmental, Inc., and on behalf of the Chicopee Office of Community Development, BETA Group, Inc. respectfully requests that you forward the above-referenced Work Plan to the Corps of Engineers for review and final approval.

We have enclosed three (3) copies of the plan; please let us know if you require additional copies.

If we can be of any further assistance regarding this matter, please contact Alan Hanscom or me.

Sincerely,

BETA Group, Inc.

Anthony J. Wespiser, P.E.  
Senior Project Manager
