

MASSACHUSETTS BID FORM FOR SUBCONTRACTORS

**Sub-Trade: Miscellaneous and Ornamental Iron**  
(Bid Item 3e)

As required by Chapter 149-Section 44F

To All General Bidders Except Those Excluded:

- I. The undersigned proposes to furnish all labor and materials for completing, in accordance with the hereinafter described plans, specifications, and addenda, all the work shown on the drawings and specified in Section 05530 of the Specifications prepared by BETA Group, Inc., for the **Plymouth Airport Wastewater Treatment Facility Improvements, Bid No. 22205** for the contract sum of:

Forty-three thousand, six hundred sixty Dollars

And Zero cents (\$43,660.00)

- J. This sub-bid includes addenda numbered 1 - December 6, 2022

- K. This sub-bid

( ) may be used by any general bidder except \_\_\_\_\_

(x) may only be used by the following general bidders Methuen Construction Co., Inc.

(To exclude general bidders, insert "X" in one parenthesis only and fill in blank following that parenthesis. Do not answer C if no general bidders are excluded.)

- L. The undersigned agrees that if he/she is selected as a sub-bidder, he/she will, within five days, Saturdays, Sundays and legal holidays excluded, after presentation of a subcontract by the general bidder selected as the general contractor, execute with such general bidder a subcontract in accordance with the terms of this sub-bid and contingent upon the execution of the general contract and, if requested so to do in the general bid by such general bidder who shall pay the premiums therefor, furnish a performance and payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the awarding authority in the full sum of the sub-contract price.
- M. The names of all persons, firms and corporations furnishing to the undersigned labor or labor and materials for the class or classes or part thereof of work for which the provisions of the

section of the specification for this sub-trade require a listing in this paragraph, including the undersigned if customarily furnished by persons on his/her own payroll and in the absence of a contrary provision in the specifications, the name of each such class or work or part thereof and the bid price for each such class of work or part thereof are:

NAME	CLASS OF WORK	BID PRICE
<u>Not Applicable</u>		

(Do not give bid price for any class or part thereof furnished by the undersigned.)

- N. The undersigned agrees that the above list of bids to the undersigned represents bona fide bids based on the hereinbefore described plans, specifications and addenda and that if the undersigned is awarded the contract, they will be used for the work indicated at the amounts stated, if satisfactory to the Owner.
- O. The undersigned further agrees to be bound to the general contractor by the terms of the hereinbefore described plans, specifications, including all general conditions stated therein, and addenda, and to assume toward him/her all the obligations and responsibilities that he, by those documents, assumes toward the Owner.
- P. The undersigned offers the following information as evidence of his/her qualifications to perform the work as bid upon according to all the requirements of the plans and specifications:

17. Have been in business under present business name [62] years.

18. Ever failed to complete any work awarded? [No.]

19. List one or more recent buildings with names of general contractor and Engineer/ Architect on which you served as sub-contractor for work of similar character as required for the above-named building.

<u>Building</u>	<u>Engineer/ Architect</u>	<u>General Contractor</u>	<u>Amount of Contract</u>
a. <u>Peirce Island WWTF Upgrades, AECOM, Methuen Construction Co., Inc.</u>			<u>\$2,356,848.00</u>
b. <u>Water Treatment Plant Contract , Weston and Sampson, Methuen Construction Co., Inc.</u>			<u>\$407,418.00</u>
c. <u>Worcester Whitla Drive Pump Station, Tighe &amp; Bond, Methuen Construction Co., Inc.</u>			<u>\$143,402.00</u>

20. Bank reference CIBC Bank, 120 LaSalle St., 6th Floor, Chicago, IL. 60603  
Ester LaRocca, Assoc. Managing Director 312-564-2673

- I. The undersigned hereby certifies that he/she is able to furnish labor that can work in harmony with all other elements of labor employed on the work and that he/she will comply fully with all laws and regulations applicable to awards of subcontracts subject to Section 44F.

The undersigned hereby certifies under penalties of perjury that this sub-bid is in all respects bona fide, fair and made without collusion or fraud with any other person. As used in this subsection, the word "person" shall mean any natural person, joint venture, partnership, corporation or other business or legal entity. The undersigned hereby certifies under penalties of perjury that the said undersigned is not presently debarred from doing public construction work in the Commonwealth under the provisions of Section Twenty-nine F of Chapter Twenty-nine or any other applicable debarment provisions of any other chapter of the General Laws or any rule or regulation promulgated hereunder.

SECTION 00400

BID BOND

KNOW ALL MEN BY THESE PRESENTS, that we the undersigned (Insert Name of Bidder)  
Methuen Construction Co., Inc., as Principal, and (Insert Name of Surety)  
Berkshire Hathaway Specialty Insurance Company, as Surety, are hereby held and  
firmly bound and obligated unto the Town of Plymouth, MA, as Owner, in the sum  
of Five Percent of the bid amount Dollars (\$5% of bid amount),  
as liquidated damages for payment of which, well and truly to be made, we hereby jointly and  
severally bind ourselves, our heirs, executors, administrators, successors and assigns.

The condition of the above obligation is such that whereas the Principal has submitted to the Town  
of Plymouth, MA a certain Bid attached hereto and hereby made a part hereof, to enter into a  
contract in writing, hereinafter referred to as the "AGREEMENT" and/or "Contract", for  
"Plymouth Airport Wastewater Treatment Facility Improvements, Bid No. 22205".

NOW THEREFORE,

- (a) If said BID shall be rejected or withdrawn as provided in the INFORMATION FOR  
BIDDERS attached hereto or, in the alternative,
- (b) If said BID shall be accepted and the Principal shall duly execute and deliver the form of  
AGREEMENT attached hereto and shall furnish the specified bonds for the faithful  
performance of the AGREEMENT and/or Contract and for the payment for labor and  
materials furnished for the performance of the AGREEMENT and/or Contract,

then this obligation shall be void, otherwise it shall remain in full force and effect; it being  
expressly understood and agreed that the liability of the Surety for any and all claims hereunder in  
no event shall exceed the amount of this obligation.

The Surety, for value received, hereby agrees that the obligations of said Surety and its bond shall  
in no way be impaired or affected by any extensions of the time with which such BID may be  
accepted, and said Surety does hereby waive notice of any such extensions.

IN WITNESS WHEREOF, the Principal and the Surety have hereunto set their hands and seals, and such of them as are corporations have caused their corporate seals to be hereto affixed and these presents to be signed by their proper officers, have duly executed this bond on the

6th day of December, 20 22.

**BERKSHIRE HATHAWAY SPECIALTY INSURANCE COMPANY (BYLAWS)**

ARTICLE V.

CORPORATE ACTIONS

....

EXECUTION OF DOCUMENTS:

....

Section 6.(b) The President, any Vice President or the Secretary, shall have the power and authority:

- (1) To appoint Attorneys-in-fact, and to authorize them to execute on behalf of the Company bonds and other undertakings, and
- (2) To remove at any time any such Attorney-in-fact and revoke the authority given him.

**NATIONAL INDEMNITY COMPANY (BY-LAWS)**

Section 4. Officers, Agents, and Employees:

A. The officers shall be a President, one or more Vice Presidents, a Secretary, one or more Assistant Secretaries, a Treasurer, and one or more Assistant Treasurers none of whom shall be required to be shareholders or Directors and each of whom shall be elected annually by the Board of Directors at each annual meeting to serve a term of office of one year or until a successor has been elected and qualified, may serve successive terms of office, may be removed from office at any time for or without cause by a vote of a majority of the Board of Directors, and shall have such powers and rights and be charged with such duties and obligations as usually are vested in and pertain to such office or as may be directed from time to time by the Board of Directors; and the Board of Directors or the officers may from time to time appoint, discharge, engage, or remove such agents and employees as may be appropriate, convenient, or necessary to the affairs and business of the corporation.

**NATIONAL INDEMNITY COMPANY (BOARD RESOLUTION ADOPTED AUGUST 6, 2014)**

RESOLVED, That the President, any Vice President or the Secretary, shall have the power and authority to (1) appoint Attorneys-in-fact, and to authorize them to execute on behalf of this Company bonds and other undertakings and (2) remove at any time any such Attorney-in-fact and revoke the authority given.

**NATIONAL LIABILITY & FIRE INSURANCE COMPANY (BY-LAWS)**

ARTICLE IV

Officers

Section 1. Officers, Agents and Employees:

A. The officers shall be a president, one or more vice presidents, one or more assistant vice presidents, a secretary, one or more assistant secretaries, a treasurer, and one or more assistant treasurers, none of whom shall be required to be shareholders or directors, and each of whom shall be elected annually by the board of directors at each annual meeting to serve a term of office of one year or until a successor has been elected and qualified, may serve successive terms of office, may be removed from office at any time for or without cause by a vote of a majority of the board of directors. The president and secretary shall be different individuals. Election or appointment of an officer or agent shall not create contract rights. The officers of the Corporation shall have such powers and rights and be charged with such duties and obligations as usually are vested in and pertain to such office or as may be directed from time to time by the board of directors; and the board of directors or the officers may from time to time appoint, discharge, engage, or remove such agents and employees as may be appropriate, convenient, or necessary to the affairs and business of the Corporation.

**NATIONAL LIABILITY & FIRE INSURANCE COMPANY (BOARD RESOLUTION ADOPTED AUGUST 6, 2014)**

RESOLVED, That the President, any Vice President or the Secretary, shall have the power and authority to (1) appoint Attorneys-in-fact, and to authorize them to execute on behalf of this Company bonds and other undertakings and (2) remove at any time any such Attorney-in-fact and revoke the authority given.

## **INSTRUCTIONS**

### **INSTRUCTIONS TO SUB-BIDDERS**

- This form must be completed and submitted by all Filed Sub-Bidders bidding on projects and Trade Contractors bidding on projects.
- You must give complete and accurate answers to all questions and provide all of the information requested. **MAKING A MATERIALLY FALSE STATEMENT IN THIS SUB-BIDDER UPDATE STATEMENT IS GROUNDS FOR REJECTING YOUR BID AND FOR DEBARRING YOU FROM ALL PUBLIC CONTRACTING.**
- This Sub-Bidder Update Statement must include all requested information that was not previously reported on the application used for your company's most recently issued (not extended or amended) Sub-Bidder Certificate of Eligibility. **The Sub-Bidder Update Statement must cover the entire period since the date of that application, NOT since the date of your Certification.**
- You must use this official form of Sub-Bidder Update Statement. Copies of this form may be obtained from the awarding authority or from the DCAMM Web Site:  
[www.mass.gov/DCAMM/certification](http://www.mass.gov/DCAMM/certification).
- If additional space is needed, please copy the appropriate page of this Sub-Bidder Update Statement and attach it as an additional sheet.
- It is acceptable to attach your projects in progress and completed projects spreadsheet for Part 7.

### **INSTRUCTIONS TO AWARDING AUTHORITIES**

#### ***Determination of Sub-Bidder Qualifications***

- It is the awarding authority's responsibility to determine each responsible bidder. You must consider all of the information in the bidder's Sub-Bidder Update Statement in making this determination. **Remember: this information was not available to the Division of Capital Asset Management and Maintenance at the time of certification.**
- The Sub-Bidder's performance on the projects listed in Parts 1 and 2 must be part of your review.
- Contact the project references.
- **AWARDING AUTHORITIES ARE STRONGLY ENCOURAGED TO REVIEW THE LOW BIDDERS CERTIFICATION FILE. WITH THE IMPLEMENTATION OF ELECTRONIC DOCUMENT MANAGEMENT FILE REVIEWS CAN BE PROVIDED ELECTRONICALLY.** To discuss your request/options contact DCAMM's Contractor Certification (857) 204-1305 or via email at [certification.dcammm@mass.gov](mailto:certification.dcammm@mass.gov).

#### ***Correction of Errors and Omissions in Sub-Bidder Update Statements***

**Matters of Form:** An awarding authority shall not reject a Sub-Bidder's bid because there are mistakes or omissions of form in the Sub-Bidder Update Statement submitted with the bid provided the Sub-Bidder promptly corrects those mistakes or omissions upon request of the awarding authority.

**Correction of Other Defects:** An awarding authority may, in its discretion, give a Sub-Bidder notice of minor defects and omissions as to form in the Sub-Bidder's Update Statement and provide an opportunity to correct its Sub-Bidder Update Statement. However, the Sub-Bidder shall not be allowed to make corrections to a Sub-Bidder Update Statement if material information about the Sub-Bidder was omitted from the Sub-Bidder Update Statement filed with the Sub-Bidder's bid. The Awarding Authority shall advise DCAMM of any material omissions in a Sub-Bidder's Update Statement.

10. Have there been any deaths of an employee or others occurring in connection with any of your projects?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
11. Has any employee or other person suffered an injury in connection with any of your projects resulting in their inability to return to work for a period in excess of one year?	<input type="checkbox"/>	<input checked="" type="checkbox"/>

**PLEASE REFER TO ATTACHMENT 1 FOR DETAILS REGARDING AFFIRMATIVE RESPONSES**

#### PART 4 - Legal or Administrative Proceedings; Compliance with Laws

Please answer the following questions. Information must supplement all judicial and administrative proceedings involving bidder's company, which were instituted or concluded (adversely or otherwise) since your company's Application for your most recently issued (not extended or amended) Sub-Bidder Certificate of Eligibility. You must report all requested information not previously reported on that DCAMM Application.

The term "administrative proceeding" as used in this Sub-Bidder Update Statement includes (i) any action taken or proceeding brought by a governmental agency, department or officer to enforce any law, regulation, code, legal, or contractual requirement, except for those brought in state or federal courts, or (ii) any action taken by a governmental agency, department or officer imposing penalties, fines or other sanctions for failure to comply with any such legal or contractual requirement.

The term "anyone with a financial interest in your company" as used in this Section "I", shall mean any person and/or entity with a 5% or greater ownership interest in the applicant's company.

If you answer YES to any question, on a separate page provide a complete explanation of each proceeding or action and any judgment, decision, fine or other sanction or result. Include all details (name of court or administrative agency, title of case or proceeding, case number, date action was commenced, date judgment or decision was entered, fines or penalties imposed, etc.).

	YES	NO
1. Have any civil, judicial or administrative proceedings involving your company or a principal or officer or anyone with a financial interest in your company been brought, concluded, or settled relating to the procurement or performance of any construction contract, including but not limited to actions to obtain payment brought by subcontractors, suppliers or others?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Have any criminal proceedings involving your company or a principal or officer or anyone with a financial interest in your company been brought, concluded, or settled relating to the procurement or performance of any construction contract including, but not limited to, any of the following offenses: fraud, graft, embezzlement, forgery, bribery, falsification or destruction of records, or receipt of stolen property?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3. Have any judicial or administrative proceedings involving your company or a principal or officer or anyone with a financial interest in your company been brought, concluded, or settled relating to a violation of any state's or federal procurement laws arising out of the submission of bids or proposals?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
4. Have any judicial or administrative proceedings involving your company or a principal or officer or anyone with a financial interest in your company been brought, concluded, or settled relating to a violation of M.G.L. Chapter 268A, the State Ethics Law?	<input type="checkbox"/>	<input checked="" type="checkbox"/>

PLEASE REFER TO ATTACHMENT 2 FOR DETAILS REGARDING AFFIRMATIVE RESPONSES

**PART 4 - Legal or Administrative Proceedings; Compliance with Laws (continued)**

	YES	NO
5. Have any judicial or administrative proceedings involving your company or a principal or officer or anyone with a financial interest in your company been brought, concluded, or settled relating to a violation of any state or federal law regulating hours of labor, unemployment compensation, minimum wages, prevailing wages, overtime pay, equal pay, child labor or worker's compensation?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
6. Have any judicial or administrative proceedings involving your company or a principal or officer or anyone with a financial interest in your company been brought, concluded, or settled relating to a violation of any state or federal law prohibiting discrimination in employment?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
7. Have any judicial or administrative proceedings involving your company or a principal or officer or anyone with a financial interest in your company been brought, concluded, or settled relating to a claim of repeated or aggravated violation of any state or federal law regulating labor relations?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
8. Have any proceedings by a municipal, state, or federal agency been brought, concluded, or settled relating to decertification, debarment, or suspension of your company or any principal or officer or anyone with a financial interest in your company from public contracting?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
9. Have any judicial or administrative proceedings involving your company or a principal or officer or anyone with a financial interest in your company been brought, concluded, or settled relating to a violation of state or federal law regulating the environment?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
10. Has your company been fined by OSHA or any other state or federal agency for violations of any laws or regulations related to occupational health or safety? Note: this information may be obtained from OSHA's Web Site at <a href="http://www.osha.gov">www.osha.gov</a>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
11. Has your company been sanctioned for failure to achieve DBE/MBE/WBE goals, workforce goals, or failure to file certified payrolls on any public projects?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
12. Other than previously reported in the above paragraphs of this Section I, have any administrative proceedings or investigations involving your company or a principal or officer or anyone with a financial interest in your company been brought, concluded, or settled by any local, state or federal agency relating to the procurement or performance of any construction contract?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
13. Are there any other issues that you are aware which may affect your company's responsibility and integrity as a building contractor?	<input type="checkbox"/>	<input checked="" type="checkbox"/>

PLEASE REFER TO ATTACHMENT 2 FOR DETAILS REGARDING AFFIRMATIVE RESPONSES

**PART 5 - SUPERVISORY PERSONNEL**

List all supervisory personnel who will be assigned to the project if your company is awarded the contract.

**Attach the resume of each person listed below.**

NAME	TITLE OR FUNCTION
Please See Attachment 3	

**PART 6 - CHANGES IN BUSINESS ORGANIZATION OR FINANCIAL CONDITION**

Have there been any changes in your company's business organization, financial condition or bonding capacity since the date your current Contractor Certificate of Eligibility was issued? ☐ Yes ☒ No

**If YES, attach a separate page providing complete details.**

**PART 7 – LIST OF COMPLETED CONSTRUCTION PROJECTS SUBMITTED TO THE DIVISION OF CAPITAL ASSET MANAGEMENT AND MAINTENANCE ALONG WITH CERTIFICATION SIGNATURE PAGE.**

Attach here a copy of the list of completed construction projects which was submitted with your company's application for your most recently issued (not extended or amended) Sub-Bidder Certificate of Eligibility. The Attachment must include a complete copy of the entire Completed Projects spreadsheet and the final page Certification Page of the online application, containing the signature and date the completed projects list was submitted to the Division of Capital Asset Management and Maintenance.

PART 3**

**PROJECT PERFORMANCE**

### Affirmative Response to Part 3

RE: Termination for Convenience

Methuen Construction Company, Inc. (Methuen) contracted with the City of Rochester, New Hampshire (Rochester) for the construction of the Biosolids Dewatering Facility and Carbon Building. On February 3, 2021, Rochester terminated the contract with Methuen for convenience pursuant to Section 16.03 of the general conditions of the contract. This was not a termination for default, nor did Methuen fail to complete the work of the project. This convenience termination was agreeable and acceptable to Methuen and Rochester.

Please contact Wayne Symonds, Chief Operating Officer of Methuen, for further information regarding this project (603-328-2222).

PART 4**

**LEGAL OR ADMINISTRATIVE PROCEEDINGS;  
COMPLIANCE WITH LAWS**

**Affirmative Response to Part 4 – Questions 1**

	Date Filed or Settled	Claimant/Plaintiff	Defendant	Type of Action	Description of Legal Proceeding	Court & Case #	Status
1	Filed: Feb 2022	Folan Waterproofing & Construction Company, Inc.	Methuen Construction Company, Inc.	Civil Action	<p>Project Name and Location: Haverhill WTP Upgrades, Haverhill, MA</p> <p>Methuen Construction Company, Inc. (Methuen) is the General Contractor for the project and had contracted the waterproofing scope of work to Folan Waterproofing &amp; Construction Co. Inc. Plaintiff claims that additional costs have been incurred.</p> <p>Methuen Construction denies that Folan completed its subcontracted work and extra work on the Project to the satisfaction of Haverhill and MCC. Furthermore, Methuen Construction states that certain parts of Folan's subcontract was defective and is subject to offsets, back charges and withholding; additionally, Folan continues to have outstanding punch list items and contract work to complete. Methuen Construction is aggressively defending these claims.</p> <p>This case is currently closed without prejudice.</p>	<p>Suffolk County Superior Court, Massachusetts</p> <p>Civil Action No: 2284CV00165</p>	<b>CLOSED</b> This item has been opened since the Feb 2022 DCAM Application
2	Filed: Feb 2021	Thomas Chiodi	Methuen Construction Company, Inc.	Civil Action	<p>Project Name and Location: Whitla Drive Pump Station Replacement, Worcester, MA</p> <p>Methuen Construction Company, Inc. (Methuen) is the General Contractor for the project and had subcontracted the painting to John W. Egan Co. (Egan). Plaintiff (Thomas Chiodi) on November 20, 2019, who at the time was an employee of Egan claims compensation for injuries suffered while working on the construction site located at Worcester, MA.</p> <p>By the terms of Egan's subcontract with Methuen, Egan is required to indemnify and hold Methuen harmless for all costs and liability associated with this incident.</p> <p>This case is currently pending.</p>	<p>Suffolk County Superior Court, Massachusetts</p> <p>Civil Action No. 2184CV00411</p>	<b>OPEN</b>

**RESUMES BEGIN ON THE NEXT PAGE**

**Joseph A. Barbone, Jr.**  
Chief Executive Officer  
Phone Number: 603.328.2222

#### **EDUCATION**

University of Lowell, Lowell, MA  
Bachelor of Science in Civil  
Engineering

#### **SUMMARY OF QUALIFICATIONS**

Over 42 years' experience in the construction industry as an engineer, project manager, estimator, general manager, vice president of operations and company CEO overseeing the support and implementation of projects in heavy construction, water and wastewater treatment, industrial processing, and power generation plants.

#### **WORK EXPERIENCE**

**Methuen Construction Co., Inc., Plaistow, NH – 1988-Present**

President and Chief Executive Officer (2005-Present)

Responsible for all company functions with responsibilities including strategic and financial planning, organizational structure, development, implementation, and adherence to company philosophies, policies and procedures, legal compliance, and establishment of relationships with key business partners including banking, bonding, insurance, accounting, and legal firms.

Senior Vice President (2000-2004)

In charge of overseeing all field operations, equipment construction maintenance and acquisition, human resources, marketing, estimating and proposal preparation. Duties also include monitoring the performance of all construction operations including integration of individual project performance into the overall financial plan, projecting and monitoring annual volume and profit margins, allocating overhead labor resources, procuring construction equipment, and administering all support functions for the successful implementation of all operations functions.

Vice President of Operations (1994-1999)

In charge of all construction operations. Directly responsible for the performance of all construction projects including maximizing profit margins; establishing and maintaining construction schedules; allocating labor and equipment resources; achieving safety goals; administering all support functions for the successful completion of each project.

Project Manager (1988-1993)

In charge of all assigned project operations including supervision of field superintendents and project engineers. Directly responsible for the performance of all construction projects including establishing and maintaining aggressive construction schedules, projecting required labor and equipment resources, maintaining costs within established budgets and administering all support functions for the successful completion of each project.

**J. A. Barbone Construction Co., Bradford, MA – 1986-1988**

General Manager/Partner

Company primarily involved in excavating site work and underground utility installation.

**P. Gioioso and Sons, Inc., - Hyde Park, MA – 1984-1986**

Project Manager/Estimator

Heavy civil and highway contractor involved in water and waste water treatment facilities, water, sewer and drainage systems, site, and road development.

**Yankee Atomic Electric Co., Framingham, MA – 1980-1984**

Area Engineer, Seabrook Nuclear Power Station

**Wayne A. Symonds**  
Chief Business Officer  
Phone Number: 603.328.2204

#### **EDUCATION**

Northeastern University, Boston, MA  
Bachelor of Science in Civil  
Engineering and Graduate Study in  
Geotechnical Engineering

#### **SUMMARY OF QUALIFICATIONS**

Over 35 years' experience in the construction industries as an executive vice president, senior vice president, project management and vice president of construction management on project in heavy construction, industrial processing and wastewater treatment facilities.

#### **WORK EXPERIENCE**

**Methuen Construction Co., Inc., Plaistow, NH - 1995-Present**

Chief Business Officer (2022 - Present)

Chief Business Officer in charge of Estimating, Safety, IT, Accounting, Human Resources, and Legal Counsel.

Executive Vice President (2016 - 2022)

Executive Vice President in charge of all Construction Operations, Summit Metal Fabricators, Service Group, Estimating and Safety.

Senior Vice President (2010 - 2016)

Responsible for Construction Operations, Summit Metal Fabricators, Service Group, Estimating and Safety. Directly responsible for both securing and the performance of all construction projects including maximizing profit margins, establishing and maintain aggressive construction schedules, allocating labor and equipment resources and administrating all support functions for the successful completion of all projects.

Vice President of Operations (2000 - 2010)

Responsible for the planning, coordination and direction of construction operations including the management of Summit Metal Fabricators, the Facilities Service Group and Safety ensuring the timely on budget, safe delivery of all projects while guaranteeing customer satisfaction.

Project Manager (1995 - 2000)

In charge of all field operations including control over field superintendents and project engineers. Directly responsible for the performance of project including establishing and maintaining aggressive construction schedules, allocating labor and equipment resources, and administrating all support functions for the successful completion of each project.

**H. J. Stabile & Son, Inc., Nashua, NH - 1987 - 1995**

Vice President - Construction Management

Responsible for overseeing all duties involved with construction management including planning, technical services, estimating and marketing operations, as well as managing a crew of thirteen project managers and estimators.

**John McGrath, LEED AP BD+C**  
Vice President of Federal Market  
Phone Number: 603.328.2232

#### EDUCATION

Northeastern University, Boston, MA  
Bachelor of Science, in Civil and  
Environmental Engineering

#### CERTIFICATION

LEED AP BD+C  
OSHA 10  
NH Waterworks Operator  
Treatment/Distribution Grade 1A

#### SUMMARY OF QUALIFICATIONS

Over 23 years' experience in the construction industry in such roles as Project Engineer, Project Manager, and Project Executive – specializing in publicly-funded projects including schools, subway stations, water and wastewater treatment facilities, pumping facilities, and military facilities.

#### WORK EXPERIENCE

**Methuen Construction Co., Inc., Plaistow, NH – 2007-Present**

Vice President of Federal Market (2022 – Present)

In charge of all construction operations for the federal market. Directly responsible for the performance of Federal construction projects including maximizing profit margins; establishing and maintaining construction schedules; allocating labor and equipment resources; achieving safety goals; administering all support functions for the successful completion of each project.

Vice President of Construction Operations (2019 – 2022)

In charge of all construction operations. Directly responsible for the performance of all construction projects including maximizing profit margins; establishing and maintaining construction schedules; allocating labor and equipment resources; achieving safety goals; administering all support functions for the successful completion of each project.

Project Executive (2016 – 2019)

Responsible for the successful execution of all projects in the federal construction market, with regard to safety, quality, schedule, and budget, leading each individual project team in their efforts. Leads project pursuit and business development efforts in the federal construction market.

Completed Projects:

- PNSY DD#2 VA Class Propulsor Enclosure, Kittery, ME - \$6 Million
- PNSY P-266 Structural Shops Consolidation, Kittery, ME - \$40.5

Project Manager (2007-2016)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors and field resources.

Completed Projects

- PNSY DD#3 Propulsor Enclosure, Kittery, ME - \$2.6 Million
- PNSY Energy Conservation & Repairs to Submarine Enclosure, Kittery, ME - \$22 Million
- Wastewater Treatment Facility Improvements Phase 1B-02, Lowell, MA - \$15 Million
- Wastewater Treatment Facility Improvements Phase 1B-01, Lowell, MA - \$8.5 Million

**Bartletta Engineering Corp., Canton, MA - 1999-2007**

Project Engineer

Oversaw installation of all mechanical process equipment, HVAC, electrical, plumbing, fire protection and process piping for CSO facility. Coordinated ongoing work with Owner, Engineer and Subcontractors. Scheduled work, prepared and evaluated change documents, estimated new work. In charge of trouble-shooting contract documents to prevent negative impacts on construction, analyzing time impacts and time extension requests, preparing punch lists and non-conformance notices, processing submittals and RFIs, and monitoring project cost control.

**J.F. White/Slattery, Perini, J.V., Boston, MA - 1999**

Engineering Assistant

Monitored shop adherence to contract requirements and quality control program at fabricator's facility, International Bridge & Iron, CT. Reviewed concrete reinforcement shop drawings to confirm conformance to contract. Processed and submitted shop drawings. Updated contract change files and monitored "for construction" drawings for field staff and subcontractors. Assisted with field inspection tasks.

#### **SUMMARY OF QUALIFICATIONS**

Over 27 years' experience in the construction industry in roles as field operations manager, project superintendent, project engineer, and project manager.

#### **WORK EXPERIENCE**

##### **Methuen Construction Co., Inc., Plaistow, NH – 2010-Present**

###### Director of Field Resources (2019 – Present)

Responsible for oversight of all field operations including direct control over project managers, field superintendents and project engineers. Directly responsible for construction projects, budget development, construction schedules, contract negotiations and management of project teams.

###### Field Operations Manager (2016 – 2019)

Responsible for all field operation within Methuen Construction's federal construction program, providing direct oversight of project teams and maintaining client relationships.

###### Superintendent (2010 – 2016)

Management and supervision of self-perform and subcontracted workforces; quality assurance and quality inspections related to work activities; Enforcement of safety policies and procedures to ensure a safe and effective workplace; Submitting, Ordering, and procurement of materials necessary throughout the project; Scheduling and coordinating subcontractors.

###### Past Projects:

- Water Pollution Control Facility Comprehensive Upgrade, Middleborough, MA - \$21.5 Million
- Water Pollution Control Facility Upgrade, Dartmouth, MA - \$8.6 Million
- Gloucester Wastewater Treatment Facility, Gloucester, MA - \$10.9 Million

##### **Consigli Construction Company, Boston, MA – 2003 - 2009**

###### Project Superintendent

Management and supervision of self-performed work and subcontracted worked forces. Worked on projects for schools, colleges, parking garages, intuitional and heavy civil. In charge of quality control, procurement of materials, scheduling and coordinating subcontractors.

##### **Modern Continental Construction Company, Westford, MA – 2001 - 2003**

###### Assistant Area Superintendent – Drum Hill Rotary – NH State Line

Managed multiple aspects of the Route 3 Design/Build expansion project including bridge sub and superstructure construction, complete road box construction, wetland replication, and drainage and utility installation; Managed numerous superintendents, foremen, and subcontractors; Assisted design engineers and Mass Highway to identify, solve, and redesign problems; Scheduled and planned work activities including labor and equipment forecasts; Scheduled and managed large traffic closures and detours; Completed quality control and safety inspections.

##### **Methuen Construction Co., Inc., Salem, NH – 2001**

###### Superintendent

Management and supervision of self-perform and subcontracted workforces; quality assurance and quality inspections related to work activities; Enforcement of safety policies and procedures to ensure a safe and effective workplace; Submitting, Ordering, and

procurement of materials necessary throughout the project; Scheduling and coordinating subcontractors

**Modern Continental Construction Company, Cambridge, MA – 1997 - 2001**

Superintendent/Field Engineer

Managed multiple aspects of the Central Artery C19B1 project ranging from the supervision of a self-perform segmental erection crew and foundation subcontractors; Supervised and managed precast/post-tensioned bridge erection crew and erection support crew; Supervised foundation subcontractors installing drilled shaft foundations and driven displacement piles; Scheduled large traffic detours and closures; Conducted daily safety meetings to maintain safe working environment.

**R.W. Dake Construction, East Rochester, NY – 1996 - 1997**

Project Manager/Estimator

Estimated and managed interior construction projects ranging from \$3,000 to \$250,000; Interfaced with the owners and architects to ensure all expectations, goals, and design requirements were understood and obtainable; Organized and documented subcontracts, change orders, addendum and bid forms; Estimated costs associated with construction projects.

**General Dynamic-Electric Boat Division, Groton, CT – 1995 - 1996**

Project Engineer

Member of an environmental program targeting harmful materials and processes involved with the construction of nuclear-powered submarines; Lead Engineer responsible for an impact study which evaluated alternative construction processes; Determined the effect alternatives had on cost, schedule, and performance; Trained construction personnel; DOD Top Secret Security Clearance

**Joseph Barry, CHST, CIT**  
 Corporate Safety Director  
 Phone Number: 603.328.2206

#### **SUMMARY OF QUALIFICATIONS**

Over 26 years' experience as a Certified Safety Professional with extensive experience in the construction industry with proven success in controlling loss and developing cost savings.

#### **WORK EXPERIENCE**

##### **Methuen Construction Co., Inc., Plaistow, NH – 2020-Present**

###### Corporate Safety Director (2020-Present)

Directly responsible for corporate safety and compliance programs. Programs including orientation, training and certifications, site inspections, preventive vaccines, corporate and site-specific safety manuals, safety steering committee, safety committee, safety recognition program, subcontractor orientation, job safety analysis, process safety management, compliance, and documentation.

##### **Katerra, Inc., Raleigh, NH – 2018-2020**

###### Health, Safety, Security & Environmental Learning & Development Lead

Developed overall strategy for implementation of HSSE related training for over 6,000 employees encompassing all corporate offices, job sites and factories. Ensured all team members were current in HSSE related training along with ensuring compliance with state and federal requirements

##### **PC Construction, South Burlington, VT – 2011-2018**

###### Director of Craft Training and Development (2016-2018)

Identified, promoted, and implemented craft training courses and project with safety, quality and production incorporated. This included the direct development and implementation of LEAN initiatives such as value analysis, waste walks and last planner system.

###### Craft Training Manager (2015-2016)

Delivered safety/regulatory training to new and existing personnel and oversaw apprenticeship programs. Prepared training material, including producing training videos to minimize injuries in the workplace. Collaborated with SkillsUSA and other organizations to recruit young adults to the construction industry after high school.

###### Regional Safety Manager (2011-2015)

Managed a safety team with the goal of reducing injuries on construction sites. Performed safety audits at job sites and facilities to identify and resolve any unsafe working conditions, practices, or behavior.

##### **CCS Constructors, Morrisville, VT – 2010-2011**

###### Safety Director

Strategically planned, developed, administered, and managed organizational safety policies, programs, systems, and training.

##### **Intercoastal Steel Erection of VA, Virginal Beach, VA – 1996-2010**

###### Safety Director/Supervisor

Initiated and maintained safety programs keeping a 10-year period with zero time lost due to accidents. Directed crews in constructing prefabricate and structural steel buildings.

#### **CERTIFICATIONS**

Construction Health and Safety Technician (CHST)  
 Certified Instruction Trainer (CIP)  
 OSHA: 510 – OSHA Construction Standards, 500 – Authorized Outreach Instructor, 3110 – Fall Arrest System Trainer 3095, 7205 -Health Hazard Awareness 7500 – Safety & Health Management, 7505 – Accident Investigation, 7100 – Machinery & Machine Guarding  
 Medic First Aid – CPR/AED and First Aid Instructor Trainer

## Gregory Galbraith, PMP, LEED AP BD+C

Vice President of Water Resources

Phone Number: 978.423.9948

### SUMMARY OF QUALIFICATIONS

Over 27 years of experience in the construction industry as a Project Manager, Quality Control Manager, Surveyor and Field Engineer – specializing in water and waste water treatment facilities, schools, tunnels, and bridges.

### WORK EXPERIENCE

**MWH/Methuen Construction Co., Inc., Plaistow, NH - 2006-Present**

Vice President of Water Resources (2022 - Present )

In charge of all construction operations for the water resources market. Directly responsible for the performance of water resources construction projects including maximizing profit margins; establishing and maintaining construction schedules; allocating labor and equipment resources; achieving safety goals; administering all support functions for the successful completion of each project.

Project Executive (2016 –2022)

Responsible for all project managers in the municipality sector, as well as budget development, construction scheduling, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors, and field resources for specific projects.

Senior Project Manager (2006-2016)

Responsible for budget development, construction scheduling, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors and field resources.

**Barletta Engineering Corporation, Canton, MA - 2000-2006**

Project Manager

- MWRA / BWSC Union Park Detention / Treatment Facility, Boston, MA - \$40 Million
- MBTA, Light Rail Accessibility – Park Street & Haymarket Stations, Boston, MA - \$9 Million
- Veterans Memorial School, Everett, MA - \$10 Million
- Lewis Elementary School, Everett, MA - \$16 Million

**J.F. White Contracting Co., Framingham, MA - 1995-2000**

Quality Control Manager (1997-2000)

Survey/Field Engineer (1995-1997)

Responsible for handling quality control issues, document control, creating drawings organizing pay requisitions.

- Central Artery/Tunnel Project – Ramps North of Gilmore Bridge, Charlestown, MA - \$50 Million
- Central Artery/Tunnel Project – Jacked Tunnels Project, Boston, MA - \$100 Million
- MBTA Old Colony Rail Line Extension Project, Kingston, MA - \$25 Million

### CERTIFICATION

DBIA Associate  
OSHA 10

### SUMMARY OF QUALIFICATIONS

Over 29 years of experience in the construction industry as a project manager, superintendent, and estimator on projects in heavy construction and waste water treatment facilities.

### WORK EXPERIENCE

**Methuen Construction Co., Inc., Plaistow, NH - 1997-Present**

Vice President of Field Construction Excellence (2022- Present)

Responsible for all major construction projects and all executive project managers. Works as the liaison between the field and upper management to communicate needs as well as strategies that are working well. Works to continuously improve field operations. Ensure that all buildings in the construction area are constructed to contract, specification, and permitted drawings.

Vice President of Construction (2016-2022)

Responsible for all major construction project and all executive project managers.

Executive Project Director (2005-2016)

Responsible for oversight of all field operations including direct control over project managers, field superintendents and project engineers. Directly responsible for construction projects, budget development, construction schedules, contract negotiations and management of project teams.

Project Manager (2001-2005)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors and field resources.

- Wastewater Treatment Plant, Attleboro, MA - \$23.7 Million
- Wastewater Treatment Plant, GLSD, North Andover, MA - \$17.5 Million
- Forge Village and Nutting Road WTP, Westford, MA - \$11.1 Million
- Water Treatment Facility, Ashland, MA - \$9 Million
- South Essex Waste Water Treatment Plant Upgrade, Salem, MA - \$7.8 Million
- Wastewater Treatment Plant Upgrade, Pepperell, MA - \$4.3 Million

Superintendent (1997 -2001)

Responsible for construction of project, scheduling labor, equipment and materials, subcontractor coordination, quality control, maintaining project schedules, monitoring labor and equipment costs, and contract administration.

**Thibeault Corporation, Londonderry, NH - 1997**

Superintendent

Responsible for daily field operations in site development and utility installation including coordinating and scheduling subcontractors and suppliers, procurement of local permits and bonds, developing and updating project schedules and monitoring labor and equipment costs.

**Rory Moulton**  
**Page 2**

Bridgecorp, August, ME - 1993-1997

Superintendent

Responsible for on-site management, quality control, developing and maintaining project schedules, coordinating in-house crews, subcontractors and suppliers, developing plans for traffic control, demolition and erection operational plans.

**Richard Czerw**  
Project Executive  
Phone Number: 603.328.2286

#### **EDUCATION**

University of New Hampshire,  
Durham, NH  
Bachelor of Science - Civil  
Engineering

#### **CERTIFICATES**

OSHA 10/30 Hour

#### **SUMMARY OF QUALIFICATIONS**

Over 15 years of experience in the construction industry as project manager, project engineer and project superintendent on wastewater treatment plant projects, pump stations and other projects. Successful in developing working relationships with owners, engineers, vendors, subcontractors, members of the management team and field staff. Well versed in the development of bid and contract documents, project estimating, identifying impending design problems, document preparation and material purchasing

#### **WORK EXPERIENCE**

##### **Methuen Construction Co., Inc., Plaistow, NH - 2012-Present**

###### Project Executive (2019 – Present)

Responsible for all project managers in the municipality sector, as well as budget development, construction scheduling, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors and field resources for specific projects.

###### General Manager (2018 – 2019)

Involved in all aspects of construction and service contracts from business development, estimating, purchase orders, submittals, change management and closeout.

###### Project Manager (2016 – 2018)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors, and field resources.

###### Project Engineer (2012 – 2016)

Worked onsite, responsible for purchasing and expediting of equipment and materials, preparing shop drawings, tracking and approving submittals, general contract administration including preparing and submitting correspondence and documentation required for the effective and timely completion of projects.

##### **Weston and Sampson CMR, Peabody, MA - 2009 – 2012**

###### Project Superintendent

Met with engineers, owners, vendors, and subcontractors as needed for planning, coordination and progress meetings. Worked directly on project scheduling, buy out, submittal review process, pay estimates and project close outs for construction projects.

###### Engineer

Developed bid documents, contract documents, specifications and drawings for inflow & infiltration, sewer and water main projects. Responsibilities included site design, survey and being a resident engineer.

##### **Methuen Construction Co., Inc, Salem, NH – 2007 – 2009**

###### Engineering Intern

Assisted on various stages of construction including estimating, bid reviewing and project management for heavy civil/industrial projects.

**Denis Moffett, DBIA**

Project Executive

Phone Number: 603.498.7750

**SUMMARY OF QUALIFICATIONS**

Over 14 years' experience in the construction industry in roles as project manager, project engineer, project and LDP engineer.

**WORK EXPERIENCE**

**Methuen Construction Co., Inc., Plaistow, NH - 2020-Present**

Project Executive (2020-Present)

Responsible for project managers in the municipality sector, as well as budget development, construction scheduling, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors and field resources for specific projects.

**Balfour Beatty Infrastructure, Inc., Fredericksburg, VA - 2014 - 2020**

Project Manager

Responsible for schedule, budget, project management, operations, start up and commissioning for multiple wastewater projects.

*Completed Projects:*

Western Branch WWTP Expansion - \$75M

Broad Rum Biosolids Expansion - \$17M

**PC Construction Company, South Burlington, VT - 2008 - 2014**

Senior Project Engineer (2012-2014)

Supervised project engineers and maintained construction schedules on multiple projects. Coordinated daily with owner and multiple consultant engineering firms.

Project Engineer (2010-2012)

Assisted project management, start-up and commissioning on multiple wastewater projects.

*Completed Projects:*

HLK Mooney Water Reclamation Facility - Design-Build - \$108M

HL Mooney Phase 1B - Design-Build Expansion - \$5M

Hoady Road Water Storage Tanks and Pump Station - Design-Build - \$3M

Design Engineer (2010-2014)

Responsible for design engineering on multiple water and wastewater projects.

Project Schedule (2010)

Created monthly narratives detailing project status and critical paths for projects.

LDP Engineer (2008-2010)

Completed rotations in Office Engineering, Field Engineering, Estimating and Scheduling.

**EDUCATION**

Clemson University, Clemson, SC

Bachelor of Science - Civil Engineering

Hudson Valley Community College, Troy, NY

AAS Civil Engineering Technologies

**CERTIFICATION**

OSHA 10

DBIA - Designated Design-Build Professional

DBIA Water Wastewater Committee Member of Maryland AGC

**Trevor Towne, LEED AP BD + C**  
Project Executive  
Phone Number: 603.327.8961

#### **SUMMARY OF QUALIFICATIONS**

Over 21 years' experience as a Project and Quality Control Professional with extensive experience in the construction industry. Experienced leader with a focus on quality and safety for complex construction projects.

#### **WORK EXPERIENCE**

**Methuen Construction Co., Inc., Salem, NH - 2015 – Present**

##### Project Manager (2015-Present)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors and field resources

##### Quality Control Manager

Directly responsible for implementation and management of the project Quality Control Program. This includes attending planning/coordination meetings, conducting QC meetings, performing the three phases of control, performing submittal reviews and approvals, and ensuring the specified QC Specialists are engaged when required, ensuring that testing and inspection is completed and documented as required.

**The Bell Company, LLC, Rochester, NY - 2007 - 2015**

##### Project/Quality Manager

Responsible for private and government project teams. Developed project installation procedure manual and quality standards for high purity systems to ASME BPE standards. Ensured design, fabrication and installation complied with rigorous quality and cleanliness government standards. Supervised multiple subcontractors and direct field supervision, procurement, scheduling and site management.

##### Project Engineer

Coordinated and directed design team to meet project milestone deliverables. Responsible for all job cost budgets and progress payments and performed Quality Control inspections for mechanical construction.

##### Estimator

Estimated mechanical and general construction project.

**Other Companies – 2001 – 2007**

**Golde Planning & Design**

Civil Project Designer & Licensed Subsurface System Designer

**W.G. Howard & Associates**

Civil/Survey Project Designer & Field Crew Supervisor

#### **EDUCATION**

New Hampshire Technical Institute,  
AAA, Architectural Engineering

Management

### CERTIFICATIONS

OSHA 10  
CPR/First Aid  
Construction Supervisor

### SUMMARY OF QUALIFICATIONS

Over 27 years of experience in the construction industry as a Project Manager, Superintendent and Project Engineer specializing in boilers and water & wastewater treatment facilities.

### WORK EXPERIENCE

**Methuen Construction Co., Inc., Plaistow, NH - 2005-Present**

Senior Project Manager (2016-Present)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors, and field resources.

Currently Held Projects:

- WWTP Nutrient Removal Upgrade Project, Pittsfield, MA - \$51.6 Million

Completed Projects:

- GLSD Organics-to-Energy, North Andover, MA - \$25.7 Million
- WPCF Comprehensive Upgrade, Middleborough, MA - \$21.7 Million

Project Manager (2006-2016)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors.

Completed Projects:

- Anaerobic Digestion/Energy Recovery Facility, Lewiston-Auburn, ME - \$12.7 Million
- Wet Weather Flow Treatment Facility, Nashua, NH - \$27.5 Million
- Fitchburg East WWTF Headwork Upgrade, Fitchburg, MA - \$7.4 Million

Superintendent (2005-2006)

Responsible for construction of project, scheduling labor, equipment and materials, subcontractor coordination, quality control, maintaining project schedules, monitoring labor and equipment costs, and contract administration.

**Modern Continental Construction Co., Cambridge, MA - 1995-2005**

Project Manager/Superintendent

Responsible for the Modernization of Terminal E, Logan Airport, Boston, MA. Responsible for construction related phasing operations, coordinating with the CM and Owner all administrative and supervisory activities for a \$17M baggage system and a \$20M glass and glazing entrance system, as well as monthly pay requisitions, claims and change orders. Administered a successful contract closeout with Owner, CM, and 89 subcontractors.

Project Engineer

Responsible for the Outfall Tunnel Survey, Boston Harbor Project, Massachusetts Water Resource Authority. Responsibilities included setting up and administering a unit price contract for underwater survey including submittal, schedule, requisitions, and buyouts.

Office Engineer/Superintendent

Responsible for the West Parking Garage, Logan Airport, for the Massachusetts Port Authority. Responsible for submittal coordination, field coordination and installation of building components. Administered contract closeout with CM and Owner.

### SUMMARY OF QUALIFICATIONS

Over 23 years of experience in the construction industry as a Project Manager, Superintendent and Project Engineer specializing in complicated civil, highway/roadway extensions and large bridge construction.

### WORK EXPERIENCE

**Methuen Construction Co., Inc., Plaistow, NH - 2022-Present**

Senior Project Manager (2022-Present)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors, and field resources.

**SPS New England, Salisbury, MA - 2020-2022**

Senior Estimator

Responsible for estimating and cost analysis for a variety of projects from bridges, highway, roadway reconstruction, MBTA/State work, and utility substations. Project estimates ranged from \$2M to \$100M in value.

**R.E. Pierson Construction, Pilesgrove, NJ – 2017-2020**

Senior Project Manager/Area Manager

Responsible for \$225M roadway extension and highway project that included the oversight of extensive civil package that included blasting, complicated excavation, dewatering and paving. Established an area office and management of all in house staff, subcontractors and vendors and coordination with municipalities/government representatives, unions, and new project acquisition.

**PKF Mark III, Newtown, PA --2016-2017**

Project Manager

Managed a \$56M moveable bridge replacement project. Responsibilities included cost projections, billing, safety, scheduling, and subcontractors and in house workforce.

**Allen Myers, Worcester, PA --2015-2016**

Project Manager

Managed a \$200M 8 bridge replacement project. Responsibilities included cost projections, billing, safety, scheduling, and subcontractors and in house workforce.

**Tutor Perini, Philadelphia, PA --2013-2015**

Superintendent

Supervised and supported all trades in the excavation work including steel sheeting, soldier piles and lagging, tensioned tie back anchors and piping. Responsibilities included field cost projections, billing, safety, scheduling, and managing subcontractors.

**Kiewit Constructors, New York City, NY --2008-2013**

Contract Administrator 2011-2013

Managed a team of engineers and worked with ConEd, NYSDOT, NYCDOT to negotiate change orders. Additional responsibilities included scheduling and insurance claims.

Segment Engineer 2009-2011

Managed a team of field engineers and superintendents. Additional responsibilities included scheduling, cost control and project demolition.

Cost/Revenue/Field Engineer 2008-2009

Reviewed all timecard and purchase orders from subcontractors and suppliers. Additional responsibilities included scheduling, cost tracking and payment dissemination.

**ET & L Construction, Flint, MI – 1999-2005**

**Summer Intern Surveyor**

Duties included general labor and layout and topographical surveying using total station configuration and rotary laser levels.

**Joseph B. Maalouf**

Project Manager

Phone Number: 603.327.5127

#### **SUMMARY OF QUALIFICATIONS**

Over 9 years of experience in the construction industry as Project Manager and Project Engineer able to manage a project from the design phase through construction and commissioning. Extensive international experience able to manage projects outside of the U.S. Excellent written and verbal communication skills, speaks English, Arabic, and French.

#### **WORK EXPERIENCE**

**Methuen Construction Co., Inc., Plaistow, NH - 2018 – Present**

Project Manager (2018 – Present)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors, and field resources.

*Projects:*

- Merrimack WWTF Phase III, Merrimack NH - \$17.3 Million
- Marion STP Upgrades, Marion, MA - \$9.2 Million
- Arcadia St. and Worcester St. Pump Station Improvements, Grafton, MA - \$2.8 Million
- SEDS Combined Heat and Power Facility, Salem, MA - \$6 Million

#### **EDUCATION**

American University of Beirut  
Bachelor of Engineering in Mechanical Engineering  
*Magna Cum Laude*

#### **CERTIFICATES**

Construction Supervisor's License  
OSHA 10  
NYSEG Gas Utility Operator Qualification  
TAPI SAFE – Construction in Paper Mills  
JW Danforth Complete Safety and Construction Training  
Key Speaker on Dust Safety at the XOL Technical Seminar

**JW Danforth, Durham, NH – 2017 – 2018**

Project Manager

Managed five jobs at UNH working with Danforth and Xpress Natural Gas. Managed aggressive schedules to complete the work before students returned to school. Enforced safety and quality requirements through training, certification, and testing procedures. Generated submittals for all equipment or procedures that needed to be approved by the owner/engineer of record. Tracked cost on the job and managing the budget. Additionally, tracked, authorized, validated, procured for, and billed Change Orders when Extra Work arose that was not in our base-contract and negotiated time and resource allocation in order to finish on time, despite the changes.

**Xpress Natural Gas, Stratham, NH – 2016 - 2017**

Project Manager/Project Engineer

Managed on-site contractors to ensure that they were completing their contract requirements up to standards and code. Promoted from Project Engineer to Project Manager to head the installation of the company's largest CNG filling station in Montrose, PA, and managed the project from design phase through construction and until commissioning.

**XOL Automation, Beirut, Lebanon – 2014 - 2016**

Project Engineer

Brought on board to be the main field project engineer after demonstrating the ability to perform in an internship and the willingness and legal ability to travel frequently throughout the middle east. Proficiency in Arabic and English was required to interface with the engineers and manufacturers in the US and the customers in the Middle East and North Africa.

**Petrofac International, Dubai, UAE – June 2013 – August 2013**

Piping Intern: Pipe selection, piping layouts, Isometrics, Stress Analysis

**Indevco Group, Halat, Lebanon – May 2013 – June 2013**

MEP Intern: NFPA Standards, Fire Fighting Design, Pump Sizing, HVAC Calc

**Cody W. Barnes**  
Project Manager  
Phone Number: 603.362.3609

#### **EDUCATION**

Wentworth Institute of  
Technology Boston, MA,  
Bachelor of Science – Civil  
Engineering

#### **CERTIFICATES**

OSHA 10 Hour  
OSHA 30 Hour  
MDE Responsible Personnel  
Training  
CQM-C – U.S. Army Corps of  
Engineers, Baltimore District  
ASHE – American Hospital  
Association

#### **SUMMARY OF QUALIFICATIONS**

Over 8 years of experience in the construction industry as civil engineer, project engineer, and project manager. Successful in developing working relationships with owners, engineers, vendors, subcontractors, members of the management team and field staff. Well versed in all aspects of managing projects and not limited to contract negotiations, project estimating, identifying impending design problems, document preparation, material purchasing, and site management from notice to proceed to certification of occupancy.

#### **WORK EXPERIENCE**

**Methuen Construction Co., Inc., Plaistow, NH – 2018-Present**

##### Project Manager

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors.

**Army Institute of Public Health – Walsh Gilbane Joint Venture, Aberdeen Proving Grounds, MD – 2015-2018**

##### Project Engineer II

As the single project engineer on this \$206 Million project provided day to day management of schedules, submittals and management of 70+ subcontractors, procurement, contract execution, cost reporting and forecasting, subcontractor and owner billing, quality control team management, HR requirements and EEO compliance, administrative processes, IT issues management, commissioning, document control, owner and subcontractor correspondence, and the development/enforcement of quality control, safety, IAQ, BIM, and CX plans.

**New Broughton Hospital – Archer Western Contractors, Morganton, NC – 2014**

##### Engineering Intern

As an intern on this \$150 Million project provided meeting minutes, submittal review, subcontractor management, foundation settlement and cracking investigation, assisted with quality control inspection and documentation, management of SFRM removal and replacement in constructed locations, and loss mitigation analysis of foundation damage.

**Walsh Construction Heavy Civil Office – The Walsh Group, Canton, MA – 2014**

##### Engineering/Estimating Intern

Provided engineering, estimating, and management support for several large multi-million dollar projects including: Whittier Bridge Replacement, Amesbury, MA; Deer Island Scum Skimmer Replacement, Winthrop, MA; Deer Island Valve & Piping Replacement, Winthrop, MA; Moses Wheeler Bridge Replacement, Milford, CT; and the Garden State Parkway Interchange 163, Paramus, NJ.

**The Lane Construction Corporation – Bangor, ME – 2014**

##### Civil Engineer Intern

Provided Engineering and Management support for several large projects

**Patrick Castrogiovanni**  
Project Manager  
Phone Number: 603.362.3732

#### **SUMMARY OF QUALIFICATIONS**

Over 13 years of experience as a business manager, project manager, and project engineer, especially in the construction and steel fabrication industries.

#### **WORK EXPERIENCE**

**Methuen Construction Co., Inc., Plaistow, NH – 2018-Present**

Project Manager (2020-Present)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors, overseeing execution of administrative requirements including contracts, bonds, insurance and regulatory compliance, and overall management of support engineers, subcontractors, and field resources.

Assistant Project Manager (2019-2020)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors.

Project Engineer (2018-2019)

Responsible for purchasing and expediting of equipment and materials, preparing shop drawings, tracking and approving of submittals, general contract administration, including preparing and submitting correspondence and documentation required for the effective and timely completion of projects.

#### **EDUCATION**

Everglades University, Sarasota, FL,  
Bachelor of Science in Construction  
Management  
New England Technologies,  
Providence, RI, Associates Degree in  
Architectural and Building Engineering  
Everglades University, Sarasota, FL,  
Advisory Board

#### **CERTIFICATIONS**

OSHA 10  
CPR/First Aid Certified

**NSPJ, Inc., Manchester, NH – 2015-2018**

Business Manager

Business and operations development, created strategic plans by studying the industry history, and forecasted future. Accomplished objectives by establishing plans and budgets. Coordinated efforts by establishing procurement, production, and marketing, and built company image by collaborating with customers/clients, suppliers, and employees..

**Dixie Southern, Sarasota, FL – 2009-2015**

Senior Project Manager, 2012-2015

Accountable for managing the delivery of critical projects and for providing managerial support for all the projects conducted by the company. Involved in Contract negotiations, cost control, invoicing, change orders, staff meetings, turnover meetings and close out meetings. Worked closely with department managers to promote overall company effectiveness. Provided ECAC (Estimated Cost at Completion) for every project, reviewed sales opportunities and quotes.

Project Manager, 2010-2012

Reviewed Engineered Drawings for Power & Chemical Plants, Water Treatment, Wastewater, Tanks, Vessels, Pipe Designs and Launch Pads. Responsible for budgeting and planning projects, preparing project Initiation documentation, ensuring best value is obtained for the project, maintaining and completing project key performance indicators, and writing detailed project progress reports and schedules.

Estimator/Sales Development, 2009-2010

Built relationships with new and future clients, prepared presentations and proposals, justified construction work load, developed take-offs, managed and executed job contracts, organized turnover meetings with project managers for new contracts, provided sales cycle analysis, analyzed project scopes to create accurate estimates, utilized estimation software to finalize estimates, and developed metrics for measuring cost effectiveness of materials and labor.

**David M. Dutkiewicz, Jr.**  
Quality Control Manager  
Phone Number: 603.489.3568

#### SUMMARY OF QUALIFICATIONS

Over 17 years' experience in the construction industry as quality control manager, operation manager, engineer, overseeing the support and implementation of projects in heavy construction, water treatment, industrial processing, and power generation plants.

#### WORK EXPERIENCE

##### **Methuen Construction Co., Inc., Plaistow, NH – 2020-Present**

###### Quality Control Manager (2020-Present)

Directly responsible for implementation and management of the project Quality Control Program. This includes attending planning/coordination meetings, conducting QC meetings, performing the three phases of control, performing submittal reviews and approvals, and ensuring the specified QC Specialists are engaged when required, ensuring that testing and inspection is completed and documented as required.

##### **Vanguard Renewables, Wellesley, MA – 2017-2020**

###### Regional Operations Manager

Managed operations and associated budgets across five (5) Anaerobic Digester facilities totaling 4.6MW of Renewable Power. Also oversaw team safety, capital projects, service agreements and coordinated service providers.

##### **SNC-Lavalin Constructors, Inc., Multiple Locations – 2007-2017**

###### QA/QC Manager, Brandywine, MD (2016-2017)

Supervised a quality team of six (6) inspectors including two (2) CWI's and coordinated between five (5) trade contractor quality groups on the construction of a 755 MW, 2-on-1 combined cycle plant.

###### Senior QA/QC Supervisor, Waldorf, MD (2015-2016)

Performed mechanical and civil inspections, conducted system walk downs and managed project work list on the construction of a 725 MW, 2-on-1 combined cycle plant.

###### Night Shift Commissioning Lead, Newark, NJ (2014-2015)

Supervised facility operations on the commissioning of a 710 MW, 2-on-1 combined cycle plant.

###### Mechanical Commissioning Engineer, Lima, Peru (2013-2014)

Assisted in commissioning of the Anderson Water System Water Treatment Plant.

###### QA/QC Inspector, Lima Peru (2011-2013)

Fulfilled duties as the interim QZ/QC Manager and performed QA/QC mechanical inspections.

###### Commissioning Engineer, Astoria, NY (2011)

Mechanical engineer on the commissioning of a 600 MW, 2-on-1 combined cycle plant.

###### Commissioning Engineer, Bothell, WA (2010)

Developed commissioning procedures for future projects.

###### Turnover Coordinator, Canada (2007-2009)

Coordinated system turnover to the Client

##### **General Electric C.S. (Con-Ed), Newington, NH – 2006**

###### Operations & Maintenance Technician (Co-op Student)

Assisted in plant maintenance tasks and executed checks of the boiler chemistry.

##### **Casella Waste Systems, Biddeford, ME – 2005**

###### B Operator (Co-op Student)

Assisted in plant maintenance tasks and executed checks of the boiler chemistry.

## Jeremy Cahill

Assistant Project Manager

Phone Number: 603.362.3959

### SUMMARY OF QUALIFICATIONS

Over 14 years of experience in the construction industry as project engineer and assistant project manager. Civil and Environmental Engineer with diverse experience that has spanned structural steel design and construction; Survey/MEP coordination; civil site work and drainage; and mechanical general contracting. Responsibilities have included project management, field supervision, and estimating on projects ranging from \$1M up to \$1B. Worked successfully with crews, architects, and clients.

### WORK EXPERIENCE

**Methuen Construction Co., Inc., Plaistow, NH – 2018-Present**

#### Assistant Project Manager

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors.

#### Project Engineer

Responsible for purchasing and expediting of equipment and materials, preparing shop drawings, tracking and approving of submittals, general contract administration, including preparing and submitting correspondence and documentation required for the effective and timely completion of projects.

**J.F. White Mechanical, Boston, MA – 2015-2018**

#### Assistant Project Manager

*Logan Airport Central Heating Plant General Upgrades, Boston MA*

Responsibilities included day-to-day management of labor, materials, and subcontractors.

#### Assistant Project Engineer

*Various Mechanical Project Bids, Boston Area*

Worked on mechanical project bids and performed takeoffs using Viewpoint MEP Estimating, and compiled cost in HCSS Heavy Bid program.

#### Field Engineer

*Deer Island Power Plant Fuel Oil Upgrade, Winthrop MA*

Installed new pump skid & piping on stainless steel structure, plus electrical & controls upgrades. Managed daily operations and client relations.

**J.F. White Civil, Boston Area – 2013-2015**

#### Field Engineer

*Longfellow Bridge Rehabilitation Design/Build, Boston MA*

Worked with design team & construction crews to identify and address coordination issues. Superintendent duties included bridge drainage, miscellaneous metals, and lead/asbestos abatement.

**TranSystems Corporation, Boston Area – 2011-2013**

#### Structural Engineer I

Performed hands-on structural inspections of various bridges and tunnels for state agencies. Worked on composition and revision of State Bridge Inspection Reports.

**Skanska/J.F. White/Ecco Joint Venture, Westchester, NY – May 2008-Jan 2010**

#### Summer/Winter Intern

*Cat/Del UV Light Water Treatment Facility*

### SUMMARY OF QUALIFICATIONS

Over 10 years of experience in project management and on-site supervision of construction, design/build projects, renovation projects, water, and wastewater treatment facilities. An experienced leader with a focus on quality and safety during complex construction projects.

### WORK EXPERIENCE

**MWH/Methuen Construction Co., Inc., Plaistow, NH – 2016-Present**

Assistant Project Manager (2022-Present)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors.

Estimator (2020-2022)

Responsible for estimating water and wastewater hard bid projects in New England and Texas, CMAR projects Nationwide and creating scope for our team and subcontractors during estimating, performing takeoffs, and assisting in standardization of company processes.

Assistant Superintendent

Responsible for management of field subcontractors, subcontractors, process mechanical, concrete, and civil self-performing work; negotiation and clarification of contract documents, submittals and change orders. Prepared, tracked and forecasted schedule, budget, and manpower. Monitored and coordinated safety activities/inspections/tool talks and daily monitored quality control by internal employee's and various trades, owners and deliveries on site.

Project Engineer (2019-2020)

Responsible for purchasing and expediting of equipment and materials, preparing shop drawings, tracking, and approving of submittals, general contract administration, including preparing and submitting correspondence and documentation required for the effective and timely completion of projects.

**CDM Smith, Chelmsford, MA – 2012-2016**

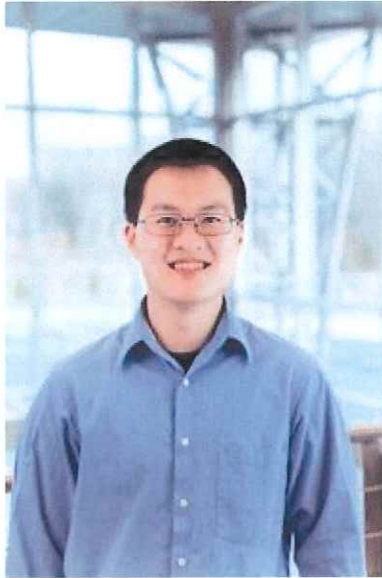

Construction Specialist

Responsible for preparation in bids/RFP packages for equipment and subcontractor buyout, submittal review and coordination, change order organization and review, worked with project control staff to update project schedule, and coordinated with subcontractors, vendors, public agencies, and clients at large scale fully operation plants.

**Jeffrey M. Lee**

Assistant Project Manager

Phone Number: 603.401.5695

**SUMMARY OF QUALIFICATIONS**

Over 10 years' experience in the construction industry in roles as Project Engineer with experience in water and wastewater treatment, industrial projects, and environmental engineering. At Methuen Construction, he was a project engineer on the \$46M Falmouth Water Treatment Plant, which won Engineering News Record (ENR) regional and safety awards, and Associated Builders and Contractors (ABC) regional and national awards. He is also a member of the ABC Future Leaders in Construction (FLIC) and Young Professionals Groups (YPG).

**WORK EXPERIENCE****Methuen Construction Co., Inc., Plaistow, NH – 2015-Present**Assistant Project Manager

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors.

Project Engineer

Responsible for purchasing and expediting of equipment and materials, preparing shop drawings, tracking and approving of submittals, general contract administration, including preparing and submitting correspondence and documentation required for the effective and timely completion of projects.

**Woodard & Curran, Dedham, MA – January 2014-June 2014**Project Engineer Co-op

Edited drawings of sewer systems, storm drain systems, and other utilities in AutoCAD. Processed shop drawings and updated submittal logs. Verified certified payrolls submitted by general contractors. Measured and recorded water quality data. Calculated pipe flow rates by recording pipe takeoffs in ArcGIS and by hand.

**Fay Spofford & Thorndike, Burlington, MA – January 2013-June 2013**Engineering Technician II Co-op

Created elevation view and plan view drawings of water treatment plants, wastewater treatment plants, sewer systems, and storm drain systems in AutoCAD.

Edited, assembled, and delivered contract bids and technical specifications. Edited attribute tables for pipe shapefiles in ArcGIS. Called contractors as part of the bid evaluation process. Performed drawdown tests on pump stations to test their capacity.

**Stacey DePasquale Engineering, Lawrence, MA – January 2012-August 2012**Engineering Field Technician Co-op

Conducted dye tests of sanitary fixtures to confirm proper connection. Inspected storm drain outfalls for deterioration and sewage contamination. Performed test kits on storm drain samples checking ammonia levels, surfactant levels, pH, conductivity, salinity, and temperature.

**EDUCATION**

Bachelors in Environmental  
Engineering

### **CERTIFICATES**

OSHA 10 Hour

### **SUMMARY OF QUALIFICATIONS**

Six years of construction management experience with comprehensive knowledge in construction, large bore piping and Water and Wastewater treatment projects.

### **WORK EXPERIENCE**

**Methuen Construction Co., Inc., Plaistow, NH – 2022-Present**

Assistant Project Manager (2022-Present)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors.

**Harper General Contractors, Charlotte, NC. – 2016-2018**

Project Manager (2021-2022)

Responsible for project schedule, cost tracking, QAQC documentation and tracking, payroll, and other onsite functions. Reported to the project superintendent and assumed his responsibilities in his absence.

Field/Project Engineer (2018-2021)

Specialized in water and wastewater treatment projects and developed expertise in project controls, cost tracking, and productivity tracking. Included several special, non-construction projects.

Project Engineer Co-Op (2016-2018)

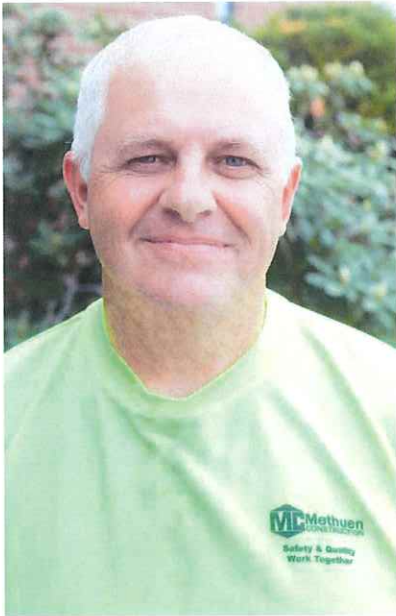

Provided support to pipefitting crew gaining valuable knowledge of pipefitting practices, construction processes, planning, and equipment operations.

## John Nelson

Senior Superintendent

Phone Number: 978.423.5353

### SUMMARY OF QUALIFICATIONS

Over 41 years' experience in the construction industry in roles as project superintendent and pipe foreman with a strong background in layout and civil work.

### WORK EXPERIENCE

**Methuen Construction Co., Inc., Plaistow, NH – 1995-Present**

Senior Superintendent (2010 – Present)

Full time onsite Superintendent responsible for construction of project, scheduling labor, equipment and materials, subcontractor coordination, quality control, maintaining project schedules, monitoring labor and equipment costs, and contract administration.

Current Projects:

- Manchester Merrimack River WTP, Hooksett, NH - \$27.2 Million

Completed Projects:

- Peirce Island WWTF Upgrade, Portsmouth, NH - \$75.7 Million
- Easterly Marlborough WWTF Improvements, Marlborough, MA - \$48.1 Million
- Wastewater Plant Upgrade, Westborough, MA - \$47.6 Million
- Riverside Pump Station & Force Main, Greater Lawrence Sanitary District, North Andover MA - \$9.6 Million
- Wet Weather Flow Treatment Facility, Nashua NH - \$27.5 Million

### EDUCATION

Weare High School, Weare, NH

### CERTIFICATION

OSHA 30

Hydraulic License – MA

Sub-Surface Installer,

Septic Systems – NH

Drain Layer - NH

Foreman (1995-2010)

Full time onsite foreman responsible for survey, layout and construction of concrete structures and mechanical systems. Duties included supervision of all field activities associated with building heavy construction projects, insuring a safety first approach to construction, scheduling daily labor, equipment and materials, monitoring schedules, coordinating activities of subcontractors, maintaining project schedules and contract administration.

Completed Projects:

- Fitchburg East WWTF Headwork Upgrades, Fitchburg, MA - \$7.4 Million
- Ogden Martin Trash to Energy Plant, Haverhill, MA - \$11.3 Million
- Water Treatment Plant, Fitchburg, MA - \$12.5 Million

**Mohawk Construction, Newington, CT – 1990 – 1995**

Pipe Foreman

Responsible for the daily crew operations of underground utilities.

**Robbie Construction, Manchester, NH – 1987 – 1990**

Pipe Foreman

Responsible for the daily crew operations of underground utilities

**Plazzi Corporation, Hooksett, NH – 1985 – 1987**

Responsible for the daily crew operations of underground utilities

**CJ Construction Co, Inc., Windsor, NH – 1981 – 1985**

Pipe Foreman

Responsible for the daily crew operations of underground utilities.

NETTCP Concrete Inspector  
NETTCP Drilled Shaft Inspector  
NETTCP Quality Assurance  
Technologist

### **SUMMARY OF QUALIFICATIONS**

Over 14 years of experience as a Project Manager, Quality Control Manager, Project Engineer, and Superintendent with extensive experience in construction. An experienced leader with a focus on quality and safety during complex construction projects.

### **WORK EXPERIENCE**

#### **Methuen Construction Co., Inc., Plaistow, NH – 2017-Present**

##### Superintendent (2022 – Present)

Full time onsite Superintendent responsible for construction of project, scheduling labor, equipment and materials, subcontractor coordination, quality control, maintaining project schedules, monitoring labor and equipment costs, and contract administration.

##### Quality Control Manager (2020-2022)

Responsible for implementation of the project Quality Control Program. This includes attending planning/coordination meetings, conducting QC meetings, performing the three phases of control, performing submittal reviews and approvals, ensuring the specified QC Specialists are engaged when required, ensuring that testing and inspection is completed and documented as required.

##### Project Manager (2018-2020)

Responsible for budget development, monitoring construction schedules, contract negotiations, managing implementation of contract functions with owners and subcontractors.

##### Project Engineer/ Alternate Quality Control Manager (2017-2018)

Responsible for implementation of the project Quality Control Program.

#### **Treviicos Corporation, Boston, MA – 2015 - 2017**

##### Project Engineer

Provide engineering support to superintendents and project managers on heavy civil foundation projects. Prepared submittals, maintained PO logs, vendor/supplier selection and material buyout, prepared shop drawing and field sketches and implementation of project safety programs.

#### **Archer Western Contractors/Walsh Construction, Portsmouth, NH – 2012-2015**

##### Project Engineer/Quality Control Engineer

Provided field support to site superintendents, foremen and project managers. Performed quality control functions. Duties consisted of engineering support of structural/ miscellaneous steel erection for the Memorial Bridge Reconstruction Design-build project in Portsmouth, NH

#### **Massachusetts DOT – Highway Division, Boston, MA – 2010-2012**

##### Civil Engineer (Construction)

Performed engineering duties relating to state roads, bridges and highway.

#### **Concrete Systems, Inc, Londonderry, NH – 2009-2010**

##### Quality Control Manager

Responsible for quality assurance of precast concrete tunnel segments, including material testing, review of concrete batch mix design, satisfaction of project specifications and finished product quality.

#### **Newstress, Inc, Epsom, NH – 2008-2009**

##### Engineering Assistant

Assisted in engineering with daily operations; including product design utilizing AutoCAD, quality assurance, overseeing production of precast products, concrete testing according to ACI specifications and project scheduling.

**Paul H. Bunch**  
Superintendent  
Phone Number: 603.401.5593

#### **EDUCATION**

Northeastern University, Boston, MA,  
Bachelor of Science – Civil –  
Environmental Engineering

University of Massachusetts, Amherst,  
MA, Bachelor of Science – Wood  
Technology – Building Materials  
Management

#### **CERTIFICATES**

U.S. Army Corps of Engineers,  
Construction Quality Management for  
Contractors  
OSHA 10 Hour

#### **SUMMARY OF QUALIFICATIONS**

Over 29 years of experience as a Superintendent, Manager of Engineering, and Quality Control Manager with extensive experience in all phases of construction. An experienced leader with a focus on quality and safety during complex construction projects.

#### **WORK EXPERIENCE**

**Methuen Construction Co., Inc., Plaistow, NH - 2016 – Present**

Superintendent (2019-Present)

Full time onsite Superintendent responsible for construction of project, scheduling labor, equipment and materials, sub-contractor coordination, quality control, maintaining project schedules, monitoring labor and equipment costs, and contract administration.

Assistant Project Superintendent / Alternate QCM / Alternate SSHO (2016-2019)

Responsible for the planning, management and supervision of self-perform and subcontracted workforces; quality control oversight and inspections related to work activities; enforcement of safety policies and procedures to ensure a safe and effective workplace; submitting, ordering and procurement of materials necessary throughout the project.

**Gilbane Building, Co., Boston, MA - 1999 – 2016**

Superintendent

Responsible for scheduling and management of subcontractors, ensuring adherence to quality control protocol for \$40M airport terminal renovation and construction of a bank building.

Manager of Engineering

Responsible for management of design document development with architect and trade contractors, for \$80M urban office building renovation. Working with the owner, designer, and subcontractors, facilitate collaboration to ensure that appropriate details and materials of construction were incorporated into final design package and completed work.

Quality Control Manager

Responsible for quality control, testing, and inspections on projects including a \$90M biomedical laboratory facility renovation and a \$78M program of hospital renovations.

**Conservation Services Group, Westborough, MA - 1993 – 1996**

Technical Specialist

Responsible for energy audits, consumption modeling and blower door testing.

**Michael Ammendolia**

Superintendent

Phone Number: 508.726.6017

**EDUCATION**

Lowell High School, Lowell, MA

**CERTIFICATIONS**

First Aid/CPR/AED Certified

#### **SUMMARY OF QUALIFICATIONS**

Over 21 years' experience in the construction industry in roles as senior superintendent, and carpenter.

#### **WORK EXPERIENCE**

**Methuen Construction Co., Inc., Plaistow, NH – 2022-Present**

Superintendent (2022-Present)

Full time onsite Superintendent responsible for construction of project, scheduling labor, equipment and materials, sub-contractor coordination, quality control, maintaining project schedules, monitoring labor and equipment costs, and contract administration.

**Eckman Construction, NH – 2020 -2022**

Senior Superintendent

Management and supervision for \$35M housing project that included civil, concrete, foundation installation crews and multiple subcontractors. Responsible for maintaining and ensuring safety policies were upheld. Ensured that job quality and ethic were held to the highest standard.

**Callahan Construction, MA – 2019-2020**

Senior Superintendent

Full time onsite Superintendent responsible for construction of project, scheduling labor, equipment and materials, sub-contractor coordination, fire protection plan and SQPP and erosion control, maintaining project schedules, monitoring labor and equipment costs, and contract administration

**ProCon, LLC, NH – 2011-2019**

Project Superintendent

Management and supervised of multiple subcontractors. Ensured all safety requirements were upheld and responsible for project scheduling, site take off's, estimating, weekly analysis of cost/labor and materials.

**Universal Drywall, NH – 2010-2011**

Project Layout Coordinator

Metal and wood framing take offs, estimates and demolition for residential, commercial, and industrial projects.

**Optimum Building Systems, NH – 2008-2010**

Carpenter

Management and supervision of crew and subcontractors on residential and commercial projects. Responsible for project scheduling, cost estimating, weekly analysis of cost/labor and materials.

**Self-Employed, NH – 2001-2008**

Owner/Lead Carpenter

Responsible for all orders of operations, payroll, estimating, labor scheduling and quality control. Ensured that job quality and ethic were held to the highest standard.

**Jim Semones**  
Superintendent  
603-702-3789

#### **SUMMARY**

Over 12 years of experience as a Superintendent and Project Manager with extensive experience in all phases of construction. An experienced leader with a focus on quality and safety during complex construction projects.

#### **WORK EXPERIENCE**

**Methuen Construction Co., Inc., Plaistow, NH - 2022 – Present**

Superintendent (2022-Present)

Full time onsite Superintendent responsible for construction of project, scheduling labor, equipment and materials, sub-contractor coordination, quality control, maintaining project schedules, monitoring labor and equipment costs, and contract administration.

**Crowder Construction Company, Charolette, North Carolina - 2017-2022**

Project Manager – Electrical (2017-2022)

Traveled to various locations in Virginia to oversee multiple large-scale projects (\$10m to \$50m). Responsible for the overall project coordination and execution concerning budgets, schedule, submittals, buyout, corporate forecasting and reporting and coordination meeting with owners', engineers, craft superintendents and subcontractors. Experience managing CMAR and Design-Build projects.

**American Industrial Construction, Gray, Maine – 2011-2017**

Project Manager (2011-2017)

Responsible for overall project success. Oversee structural, mechanical, civil, pipe, and electrical crafts on the project. Create the budget and forecasting cost throughout the project, create the schedule and man-loading charts, ensuring adherence to schedule and budget, and auditing work for quality, compliance, and proper safety practices.
