

CITY OF TAUNTON

In Municipal Council January 8 20 20

Ordered, That

\$22,500,000 is appropriated for the cost of financing the construction of

Waste Water Treatment Facility Upgrades Phase 1; the proposed work will include, but not be limited to, the replacement and upgrade of preliminary treatment (headworks), including replacement of building; the construction of an additional primary clarifier and retrofit of existing primary clarifiers; the expansion of disinfection facilities, including additional chlorine contact tanks; the replacement of facility instrumentation and controls (I&C) system; the upgrades to facility buildings, especially for energy efficiency; and the replacement of the facility's emergency power generator and switchgear, including the payment of services for planning, design, permitting, testing, bidding, construction administration, material testing and inspection services and all costs incidental or related thereto; that to meet this appropriation, the Treasurer with the approval of the Mayor is authorized to borrow \$22,500,000 and issue bonds or notes therefor under Chapter 44 of the General Laws or any other enabling authority; and that the Mayor is authorized to take any other action necessary to carry out this project.

Further, that any premium received by the City upon the sale of any bonds or notes approved by this order, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs of the projects authorized by this order in accordance with Chapter 44, Section 20 of the General Laws, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.
