Re: City of Taunton – WWTF Solids Handling Improvements

To Whom it May Concern:

The City of Taunton is currently applying for a Clean Water State Revolving Fund loan for the above mentioned project. Please find attached a Project Notification Form for the project. The project involves the replacement of solids handling equipment at the Wastewater Treatment Facility. As such, this work will have no effect on any historical buildings. Locus plans on a USGS map for the work on the project is included for your reference.

Please let me know if you have any questions or comments. I can be reached at the above phone number and address or at mandrus@beta-inc.com. Thank you.

If we can be of any further assistance regarding this matter, please contact us at our office.

Very truly yours,
BETA Group, Inc.
