Good day,

We are working on a project and preparing the base mapping for the designers – Beta Group Inc. within the Town of South Hadley.

We would like to obtain any information for above and below ground facilities you may have within our project area.

Scope of work is as follows:

Center Street from Lamb St to Warner St.

Warner Street from North St to South St.

Graves Street from North St to South St.

I have attached a locus map showing the project area.

Thanks,

Scott Baptista
