Subject: Maps & Records Request - Lenox, MA
Attachments: WALKER STREET WORK LIMITS.pdf

Good day,

We are working on a project and preparing the base mapping for the Town of Lenox.

We would like to obtain any information for above and below ground facilities you may have within our project area for drainage and sewer.

The project encompasses a portion of Walker Street from Main Street to approximately 100' past Kemble Street. Also 50' up Church Street and 100' down Kemble Street.

I have attached a locus map showing the project area.

Thanks,

Scott Baptista
