Hi Rick,

As discussed, tomorrow you will do the as-built survey of recently constructed four raised crosswalks along Main Street in Lenox. We would like to take spot grade at top and bottom of edge of new curb, crosswalk flush curb and center line where the raised crosswalk hump supposed to be.

Consider this email as an approval of your fee of \$1,500 lump sum for the work.

Do you think you will need police detail?

We appreciate your flexibility to squeeze in this project over your busy schedule.

Please feel free to call if you have any questions.

Thank You,
Darshan
