**Subject: Design Center Work Order # 43019**

Dear Elise:

Per your request, attached are copies of maps for the areas surrounding Fiske St in TEWKSBURY, MA. I have highlighted all locations where Comcast has existing underground infrastructure. This documentation is the most current we have on file to date.

Please feel free to contact me if you have any questions or need additional information

Sincerely,

A handwritten signature in black ink that reads "Ted Quint". The signature is written in a cursive, flowing style.

Ted Quint  
Design Supervisor
